

Buckeye Allis Club Meeting

Sunday September 16, 2018

You can bring in your equipment for the Farm Science Review on Sunday Sept. 16, 2018 from 1:00 pm to 4:30 pm. If you have not called Jim Sherman @ 740-816-0737, John Doig 614-746-7873 or Bill Beverage @ 740-977-8105 about bringing your equipment in, please contact either of them. We are at the east end of FSR grounds; the old fence is gone so we are back inside at the same location. We have plenty of room so bring any equipment you would like. All equipment is welcome. **NO LOADER AVAILABLE.**

At 5:30 pm we will gather at the west end of the Farm Science Review in the Shelter House. We will hold a short meeting at that time and following with our Pork Dinner. Dinner includes: pork, baked beans, potato casserole, rolls, tea, lemonade, and A-C ice cream for \$5.00 per person.

Yearly dues are due December 31, 2018 if you want to include also.

Please mail in your RSVP as it is hard to take RSVP while driving.

Last minute cancellations/reservation additions please call 740-505-0226.

We need to have pre-paid RSVP's if you want to eat, so we can order the food. We look forward to seeing you there, Thanks.

Name: _____

Tickets: _____ x \$5.00 = _____

Dues @ \$20.00 _____

Please RSVP by September 11, 2018
